

The EPA will hold a public meeting to inform residents of the proposed cleanup strategy for the source areas at the Wilcox Oil Company Superfund Site in Bristow, Creek County, Oklahoma. Your input on the Source Control Proposed Plan is important to the EPA and ODEQ. Comments provided by the public are valuable in helping the EPA and ODEQ select a cleanup remedy for the source areas.

During the public meeting EPA and ODEQ will provide information about the preferred alternative to address source material. The preferred alternative is excavation, treatment of the lead source material, and offsite disposal. This cleanup proposal is limited in scope to addressing tank waste and lead additive area sources. This proposed cleanup will provide for the cleanup of nine source areas.

Details of the Preferred Alternative include

- Estimated Present Worth cost is \$4,135,294.
- Approximately 30,362 cubic yards (y³) of source material will be excavated. Approximately 2269 y³ be treated. All excavated and treated source material will be transported to an offsite permitted disposal facility.
- The excavated areas will be backfilled with clean soil from an offsite location and re-vegetated. All excavated areas will be graded for drainage and appropriate erosion controls implemented.

A public meeting will be held on Tuesday July 10, 2018, from 6:00 p.m. to 7:00 p.m. at the Bristow Public Library, 111 West 7th Avenue, Bristow, Oklahoma, 74010. The public meeting is being held in a fully accessible facility. Should you have specific needs or questions about the facility, please contact Jason McKinney, Community Involvement Coordinator, at (214) 665-8132 or toll-free (800) 533-3508.

The Proposed Plan is available for review at the following information repositories:

Bristow Public Library, 111 West 7th Avenue Phone: 918-367-6562

Hours: Monday - Friday 9:00 a.m. to 6:00 p.m.

Saturday 9:00a.m. to 1:00 p.m.

Closed: Sunday and Monday

Oklahoma Department of Environmental Quality, Central Records

707 N. Robinson – 2nd Floor, Oklahoma City, Oklahoma 73102

(405) 702-1188, E-mail: centralrecords@deq.ok.gov
